

**Economic Development Specialist  
City of Appleton**

The City of Appleton is seeking a professional for the position of Economic Development Specialist. This position is responsible for conducting and administering planning, economic development, and redevelopment programs and projects. The work involves managing the City's industrial parks, coordinating and planning redevelopment projects, participating in land acquisition and business relocation, updating comprehensive plans and preparing related records and reports. The incumbent will also perform the duties of liaison between neighborhood residents, business owners, multiple City departments, non-profit organizations and the private sector. A bachelor's degree in Urban Planning, Economic Development, or related field, three to five years urban planning with economic development experience or equivalent combination of experience and training is required. The starting salary range is \$57,450-\$68,931, plus an excellent fringe benefit package. Regular attendance is required. If you are interested in applying for this position, please complete an on-line application at [www.appleton.org](http://www.appleton.org) by no later than Sunday, June 19, 2011. Resumes without an application will not be considered.
