

Lake County, Illinois
Planning, Building and Development Department

Internship

Position Title:

GIS Planner Intern

Potential Candidates:

The intern must be an advanced undergraduate or graduate student in urban planning, geography, public administration or GIS, who is knowledgeable in ArcGIS.

Job Summary:

The intern will be given advanced training in using ArcMap 10 and in conducting land use analysis. The intern will then use these skills (under close supervision) in an applied exercise consisting of updating the County's 2005 Lake County Land Use map by making land use designations consistent with 2010 aerial photographs and available parcel data.

Necessary Skills:

- The intern must be proficient with ArcGIS software.
- Must have strong analytical skills.

Compensation and Job Duration:

This is an unpaid internship. The internship's weekly work schedule will be determined at the time of candidate selection. The program would last throughout the summer.

Other Considerations:

The intern must be reliable and able to commit to hours in an agreed-upon schedule. The intern must be able to work independently.

Deadline to Apply:

Resumes must be received by April 15, 2011.

Contact:

Send resume to David Husemoller, AICP at the address below, or email to dhusemoller@lakecountyil.gov. Telephone: 847.377.2151

Location:

Lake County Central Permit Facility
