

Project Planner

MSA

MSA's Madison office Planning & Design Studio is seeking a Project Planner to manage and assist with a broad array of planning projects, including planner of record services, comprehensive plans, and zoning updates. The Studio provides planning and design services to public and private clients in a variety of settings and addresses issues ranging from transportation and land use to economic development and sustainability. The qualified candidate must possess a Masters degree in Urban/Regional Planning or Public Administration, the ability to work independently, and the ability to work on multiple concurrent projects. A track record of successful project management and meeting facilitation is required while marketing and client development experience is preferred. The ideal candidate will possess work experience of 3+ years of planning with a portion of that time spent on economic development. If you have experience in and a passion for resilient community planning, bicycle/pedestrian planning, and/or ordinance development we are especially interested in hearing from you. AICP certification is preferred.

MSA provides generous health, dental, and paid time off benefits starting on day one as well as a competitive salary and support for ongoing professional education and training. Apply to join our close-knit team today! Apply with your resume and cover letter on-line at www.msaps.com/Careers.aspx
